

## Making The "Terrible" Twos Terrific

"Making The "Terrible" Twos Terrific" [John Rosemond] explains the keys to negotiating [the] potentially tumultuous time [of the terrible twos]. He guides parents through toilet training, establishing good bedtime habits, developing an effective disciplinary style, controlling biting and other aggressive behaviors, and many other issues that come with the territory. In addition, Rosemond gives parents a tried-and-true recipe for bringing out the very best in their young children -- a "best" that will translate into success in school, good peer relationships, and more stable and productive teen years.
